Amendment

Dear Mr Young:

The following is in response to your letter of April 10, 2001. I am enclosing an amendment to Schedule A Line 11(a) (I) for the October Quarterly Report.

During this period of time we upgraded our campaign software, and unfortunately there were a number of contributions made during the Primary Cycle that were designated for the General Cycle due to the donors contribution limits but they printed out with both the primary and general cycles indicated. I have enclosed the entries as they should have been printed.

The contribution from Patricia Groarke which was reflected on the 48 hour notice was incorrectly attributed to her husband Edward Groarke. I have included the entries reflecting this re-attribution.

When I sent in the 48 hour notice of the check I had received from Mr. Richard O'Hara, I had not realized that this would put him over his limit. I sent him a letter indicating his options and he indicated that he wanted to designate the first \$800 to the 2000 General Election Cycle and the re-attributed the rest to his wife, Dolores. (\$1,000 to the Primary Cycle and \$200 to the General Cycle). That is how it was reported in the quarterly report. I have included a copy of this letter which has both signatures.

The contributions by Elizabeth Watson were designated incorrectly and I have included the amended entries.
